I. GENERAL INFORMATION

The Standards Review Committee (SRC) was established to review, revise, and update the City of Houston’s design and construction for all Houston Public Work’s service lines. Public input and participation is requested by the submittal of proposals for suggested changes, comments, recommendations, and supporting documents.

II. STANDARD DOCUMENTS TO BE REVIEWED

Standards that will be considered include design standards and criteria, associated technical specifications, and associated standard details and drawings. Exhibit 1 provides the types of documents that will be reviewed, including existing standards that have been identified by SRC for review and potential revision. The department’s design standards can be referenced at https://houstonpermittingcenter.org/office-city-engineer/design-and-construction-standards

Other standards and documents will be reviewed at later times under separate notices.

III. PROCESS DESCRIPTION AND SCHEDULE FOR THE REVIEW OF INFRASTRUCTURE DESIGN MANUAL CHAPTERS 7, 8, 11 and 14:

Public notice shall be published and sent out to all interested parties requesting proposals for changes to Chapters 7, 8, 11 and 14:

1. **Receive Proposed Changes:**
   The SRC will receive requests for changes submitted by public participants, categorize suggested changes and prepare the proposals for screening (information will be accessible through electronic media). Proposals may be submitted beginning July 16, 2020 through September 30, 2020.

2. **Finalize Revisions:**
   The SRC will process the information for final approval and publish the final update. Final revisions will be processed for final approval and published the estimated date of July 1, 2021.

IV. FORMAT FOR REQUESTED CHANGES/REVISIONS

All proposed changes and revisions must be submitted with the revisions form filled out in its entirety in order to be considered for review. The revision form can be found here: https://houstonpermittingcenter.org/media/3101/download.

The comment form may be submitted by email to standardsreviewcommittee@houstontx.gov or by mail to:
