

City of Houston, Texas, Ordinance No. 2020- 319

AN ORDINANCE AMENDING CHAPTER 28 OF THE CODE OF ORDINANCES, HOUSTON, TEXAS, RELATING TO HUMAN TRAFFICKING TRAINING CERTIFICATION; CONTAINING FINDINGS AND OTHER PROVISIONS RELATING TO THE FOREGOING SUBJECT; PROVIDING FOR SEVERABILITY; AND DECLARING AN EMERGENCY.

* * * * *

WHEREAS, the Houston Police Department's (HPD) Vice Division reported that between 2016 and 2019 it conducted 269 operations at 116 hotel locations to address human trafficking and prostitution; and

WHEREAS, HPD has observed that inconsistent reporting of illegal conduct within hotels can promote prostitution and the illegal sex and labor trafficking trades generally across the nation and pose a significant threat to the health, safety, and welfare of Houstonians; and

WHEREAS, according to the City's Department of Planning and Development, there are over 500 hotel and motel locations in the City; and

WHEREAS, a July 2018 Polaris Project report titled "On-Ramps, Intersections, and Exit Routes" stated that 75% of human trafficking victims surveyed reported being at a hotel during the course of their victimization; and

WHEREAS, the same Polaris Project publication stated that escort services, a form of sex trafficking, and traveling sales crews, a form of labor trafficking, were the two most likely types of human trafficking to use hotels as part of their business model; and

WHEREAS, according to a January 7, 2020, *Houston Chronicle* editorial, child sex trafficking of victims as young as 15 years of age go unreported at various hotel locations in the City of Houston; and

WHEREAS, the Code of Ordinances, Houston, Texas, (the "Code") does not currently mandate that hotels require their owners, operators, managers and employees to be trained in recognizing and reporting signs of sex and labor trafficking; and

WHEREAS, the Administration seeks to increase the consistency in reporting acts of sex and labor trafficking observed by employees and other representatives of hotels in the City and believes this can be best achieved through the following requirements:

- (1) Hotel operators will train all operators, managers, and employees on recognizing and reporting signs of sex and labor trafficking; and

- (2) Hotel operators will post a sign in clear view of all employees listing indicators of trafficking and the phone numbers of local law enforcement and the National Human Trafficking Hotline to facilitate reporting; and
- (3) Hotel operators will submit annual certifications to the City that all employees have received training in recognizing and reporting signs of sex and labor trafficking; and
- (4) The City will assess a penalty for failure of any hotel operator to comply with the requirements set forth in this ordinance; and

WHEREAS, the intent of this Ordinance is to establish a minimum threshold for human trafficking training and education; it is not meant to discourage or relieve an employer from providing longer, more frequent training regarding human trafficking;
NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:
